Indiana State Sentinel.

WEEKLY EDITION. ETERNAL VIGILANCE IS THE PRICE OF LIBERTY.

INDIANAPOLIS, JAN. 27, 1847. The following will hereafter be the permanent terms | Christmas, so April-like does every thing seem around. | age. of the Weekly Indiana State Sentinel:

Three or more copies, each 75

Constitutional Reform. We see it stated, that "the patronage left to the the new constitution hands over to the people."

13,000; an indication that the body of the people of that great State, regardless of party distinctions, have determined to assume to themselves the exercise of these rights which properly belong to these rights which properly belong to the people of the exercise, under our form of government.

We in Indiana, have abundant reason to deprecate chain of mountains, while an accidental whig majority in the Legislature, 30,000 mouths are difficult to feed, at all times, by meets with much opposition. The vast increase of pool of moral putrefaction, has discovered in this discharge and that instead of receiving some three or four thousand nizance of one Contad Nill, at that time notoriously inhave filled the offices of Treasurer and Auditor of the countries whose resources are boundless in compari-State and Circuit Judge, with men of opposite politi- advantageous move, she must do it quickly, else even this before they made the war. Wars are, of course, banishment of social order from amongst us. cal principles from those entertained by a majority of the magic name of Santa Anna will fail to keep dissuch a state of things? It appears hardly to enter than Judas, would remorselessly sell his Saviour for a less Saviour for a le into the thoughts of those, who use power but to officers and soldiers under h s command must appear that strict discipline which can alone be enforced in had the reverse been the case. All we desire to enhad the reverse been the case. All we desire to enmonths, must now come to the scratch. The barbers and tender concience into indignant rebellion, and to come in contact with a razor for susceptible or.
